

Technical drawing of a mechanical part showing dimensions and tolerances. The drawing includes a top view and a side view. The top view shows a rectangular plate with a central hole and two side holes. The dimensions are as follows:

- Overall width: $33,32^{+0,13}_{-0,12}$
- Distance from the left edge to the center of the first hole: $6,86 \pm 0,1$
- Distance from the center of the first hole to the center of the second hole: $10,00 \pm 0,1$
- Distance from the center of the second hole to the center of the third hole: $10,00 \pm 0,1$
- Distance from the center of the third hole to the right edge: $6,86 \pm 0,1$
- Overall height: $10,00 \pm 0,1$
- Radius of the first hole: $\varnothing 3,1 \pm 0,1 (2x)$
- Radius of the second hole: $\varnothing 3 \pm 0,1 (3x)$
