Energy saving stapling from Rapid

R353 is a Rapid Icon, one of Rapid's most sold professional staple guns. Now upgraded with a patented 3-step force adjuster. The force adjustment system lets professionals decide for themselves how much power to deploy on each job. Save up to 40% of effort on easy jobs with short leg lengths and turn up the power with a simple flip of the switch when required. Just like a gear box.

Save energy. Your own.

Recommended for securing textiles, canvas, leather, posters, netting, labels etc.
