

MS4.1 – Four in One Staple Gun

Versatility for the demanding DIY and home user, the MS4.1 is an effective all-round solution with four functions in one. With a simple adjustment, it can be set to tackle normal stapling, brad or cable fastening. Furthermore, a 2-step force adjuster can be set to reflect different types of material and the length of staple being used. Ideal for furniture upholstery, decorative work with diverse textile types or fastening of carpets, quilts, leather or thinner boards and skirting. Can also be used for fastening low voltage cables – for example, for speakers, antennas or computers.

Features:

- Multi magazine for fine wire and cable staples, brads and pins
- 2-step force adjuster can be set to reflect different types of material and the length of staple being used.
- Projection nose to access corners
- Ergonomic handle with lock function for easy storage
- Made in Sweden
- 3 year guarantee
