

Qoltec External label feeder | Gray

Product code: 50248

External label feeder allows you to place a roll on it that does not play inside the printer. Thanks to this, you'll have an organized place in the workplace and you'll use up the rolls in the closet.

Go out of format

Working with a label printer is your everyday life? And what if the supplied label rolls also include those that cannot be installed inside the device due to their dimensions? The best solution to prevent this from happening is Qoltec external label dispenser. Thanks to it, you will use the labels so far in the wardrobe and you will gain comfort of work thanks to the possibility of arranging the rack with the roll anywhere.

Organize your space

Qoltec external label feeder is primarily:

- convenience - you can place it anywhere, gaining space and order on the desk,
- savings - thanks to it, you can use for your work labels that are not suitable for installation inside the printer,
- functionality - you can fold or unfold the stand at any time, which is a great solution for frequent transports,
- quality - the highest quality materials used guarantee quality and long use.

Confidence confirmed by a warranty

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec external label feeder is covered by 24 months warranty.
