

Model: **AK-SW-27**

Product code	AK-SW-27
Compatible with	Fitbit
Power supply connector	USB
Cable length	1 m
USB output voltage	5 V / 1 A
Package	UniBag
Product size (L x W x H)	30 x 30 x 15 mm
Package size (L x W x H)	160 x 100 x 15 mm
Net weight	23 g
Gross weight	26 g
CE compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720137241
Warranty	24 months

## Description

**The Akyga® AK-SW-27 magnetic cable** is designed for charging **Fitbit** watches. The perfectly matched connector with a **built-in magnet** ensures optimal pressure on the charging contacts. As a result, you can be sure that, just like with the original charger, your **smart watch** will charge stably. Furthermore, the charging connector has been integrated into **the 1 m long USB cable**. This makes connecting the charger to a power source not only convenient due to the length of the cable, but also due to the universal and widely used USB-A connector. You decide what you want to connect the charger to. It can be a powerbank, which you use on the move, or a computer at home or at work.

**Suitable for, amongst others: Fitbit Versa 3, Fitbit Sense.**
