Moonlight Shadow

The last that ever she saw him
carried away by a moonlight shadow
He passed on worried and warning
carried away by a moonlight shadow
Lost in the riddle last Saturday night
far away on the other side

A smartphone is shown with the Vention audio cable plugged into its bottom port. The phone's screen displays the title 'Moonlight Shadow' and its lyrics. The phone is positioned behind a circular, white and blue base that looks like a record player or a CD. The background is a dark blue night scene with a house and trees, and musical notes are floating around. At the bottom of the image, there are three white navigation icons: a double left arrow, a play button, and a double right arrow.
