Profile heatsinks and liquid coolers>Standard extruded heatsinks

127 x 63,5 mm

### Features

---

width: 127 mm

---

height: 63.5 mm

---

plate thickness: 9.5 mm

---

length: 1000 mm

---

thermal resistance: 1.3 - 0.56 K/W

---

surface: black anodised

---

custom processing:

- individual CNC machining
- desired length

### Technical Drawing
