

### General data

|                                           |                                        |
|-------------------------------------------|----------------------------------------|
| Product group:                            | Insertion and extraction tools (SW-ZW) |
| Compatible test probe(s) / receptacle(s): | 111 E-050, GKS-050, GKS-550            |
| Series:                                   | SW-GKS                                 |
| Tool for receptacle (KS):                 | No                                     |
| Tool for test probe (GKS):                | Yes                                    |
| Test probe installation type:             | Plug-in                                |
| Min. tip diameter:                        | 0 mm [0 in]                            |
| Max. tip diameter:                        | 0.9 mm [.035 in]                       |
| Tool version:                             | Rigid                                  |
| RoHS-compliant:                           | -                                      |
