This form is prepared in accordance with SJ/T 11364 regulations.

O: Indicates that contents of the toxic and hazardous substances in all homogeneous materials are below the limit requirements specified by GB/T 26572 standard.

X: Indicates that contents of the toxic and hazardous substances exceed the limit requirements specified by GB/T 26572 standard in at least one homogeneous material of the component. This product complies with EU RoHS 2.0 Directive(2011/65/EU)

The 10-year icon refers to the "effective life of environmental protection", not the product quality assurance period. Electronic products all contain toxic and harmful substances such as lead, mercury and cadmium. Once they are overused, toxic and harmful substances may leak or mutate, cause pollution to the environment, or cause serious damage to people and property.

The term of "environmental protection use" means that all electronic products will be required to use within this effective period. We will no longer be responsible for the quality of the products due to the safety risks that arise after the safe use period.

7. Tips

Please read all instructions and warnings before using this product. Non-standard use will damage the product or personal safety.

Do not store the product in high temperature, strong light and strong magnetic field. Do not place it in other harsh environments such as fire source.

Improper use of the product can easily cause damage to the product or may endanger personal and property safety.

Consumer shall be liable for any personal and property damage resulted from their improper use against the user manual or ignoring the warning, to which our company will not bear any legal liability.

Disintegration of this product by non-professionals is strictly prohibited.

Use of household appliances or loads in excess of the output current of this product shall be avoided (no output due to circuit protection).

Intense physical actions including knocking, throwing, trampling on and squeezing, etc. shall be avoided.

This equipment complies with the provisions of Directive 2012/19/EU. It is strictly forbidden to dispose of this equipment with ordinary trash; it must be recycled. This symbol indicates that the product shall not be treated as regular domestic trash, and must be delivered to a recycling center that is capable of recycling electronic and electrical equipment.

It is hereby declared that CCCJG25CE, a product model of Shenzhen Times Innovation Technology Co., Ltd., complies with the provisions of Directive 2014/35/EU, Directive 2014/30/EU, Directive 2011/65/EU and Directive 2009/125/EC.
